

Dear RYLA Alumni,

Through the years, Camp RYLA has provided worthwhile experiences, essential life lessons and great friendships. We are the lucky few who were able to be a part of this wonderful opportunity. Now you have a chance to give something back.

After eighteen years of RYLA in Rotary District 5810, enough alumni exist to create an award funded solely by past RYLA participants. As the activities of RYLA Alumni continue to evolve, the creation of this award has been one of the most meaningful.

RYLA awards recognize the performance of returning alumni and provide financial awards for their outstanding effort. These awards can be used for college tuition, student loans or any discretionary use of the recipient.

Last year, through the generous support of many we provided two \$1,000 awards to very deserving members of our RYLA family. We able to grant two awards to members of the alumni staff whose hard work and commitment to Camp RYLA has been distinguished. The 2008 recipients were Alumni Staff members Michelynne McNeeley and Allison Bennett.

If Camp RYLA has made an impact on you, then it isn't a matter of if you will contribute but a matter of how much you can give. Any size contribution will help reach our goal to raise \$2,000. From college students to community leaders with established careers, we all can play a role in making this award a reality.

I encourage you to help make this endeavor a success and to lay the foundation for what is a new Camp RYLA tradition. When the award winner is selected they will receive a letter recognizing all contributors and anyone you wish to recognize in tribute to your contribution. I implore you to make a small gesture that will leave a lasting impact on the lives of many.

Reach for the future.

Sly Majid  
RYLA Alumni Scholarship Chair
